

Cashflow[™]
ADVANCE
Essential Business Services

Isn't it about time you looked into
reducing card processing costs?

Cashflow Advance has teamed-up with the leading companies in card acceptance technology and partner with Elavon, the UK's fastest growing card processing bank. Being an essential services broker, we have managed to negotiate the best terms on behalf of our clients and so are able to offer some of the lowest card processing rates in the industry, and working with us will enable you to improve cash flow as we now offer 'Same Day & Next Day Settlement' so you can focus on your business safe in the knowledge that your funds are deposited into your account daily.

✓ Counter-top, Portable and Mobile devices available

✓ Contactless Technology across all devices

✓ Secure PCI Compliant hardware

✓ Low monthly fee & transaction charges

✓ Next day settlement into your bank account
