

Access immediate working capital (up to £250k) against your card terminal today!

MERCHANT CASH ADVANCE FUNDING

Cashflow Advance is the UK's fastest growing cash advance specialist to offer our clients access to immediate unsecured business funding (**from £2,500 to £250,000**). A Merchant Cash Advance is fast becoming the most easily accessible and flexible way to secure working capital against your card terminal, and pay back a small % of daily card sales towards the advance; so when sales are down you payback less and when sales are up, you pay back more. Business funding made cost-effective, easy to access and flexible to repay!

*Whatever the need, a **Merchant Cash Advance** provides immediate 'Capital on tap'...*

- ✓ Simple Application Process with a 90% approval rate!
- ✓ No fixed-term or set monthly payments!
- ✓ No Business plan or Security required!
- ✓ Only Payback when you Sell!
- ✓ One Single all-inclusive cost that never changes
